**Serie: MAGIC PIANO**  
**Album für Gesang/Klavier mit MIDI FILE**  
**(GM Format 0)**

Konzept der neuen Notenserie:

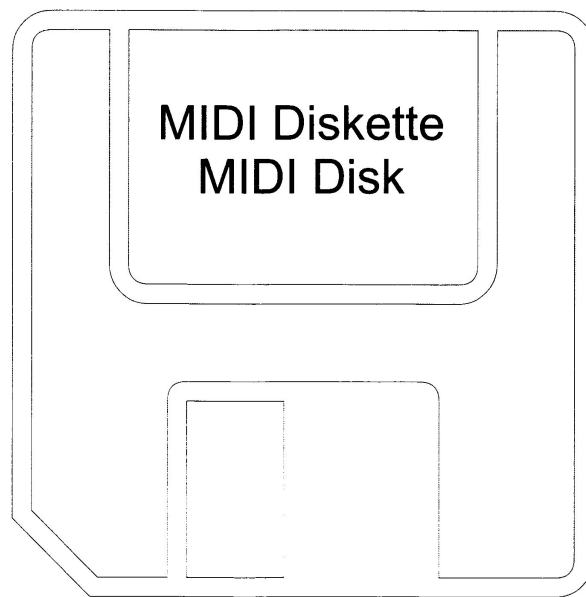

- Die Arrangements sind weitgehend in der Originaltonart geschrieben.  
Bei den Piano-Arrangements handelt es sich – auch im Hinblick auf die MIDI-FILES – um eine Direktionsstimme (vergleichbar mit der Direktionsstimme der SO/Big Band-Ausgaben).
- Die Piano-Baßlinie ist identisch mit der Baßlinie auf den MIDI-FILES.
- Die Gesangsstimme (mit Akkordbezeichnung) ist gleichzeitig als Keyboard-Linie mit Begleitautomatik verwendbar.
- Der Ablauf des Notenarrangements ist mit dem MIDI-FILE identisch.
- Die Melodiestimme ist in die „rechte Hand (Piano)“ mit einbezogen.
- Auf der Diskette befindet sich der Text im ASCII-Format, einmal mit und einmal ohne Akkordbezeichnung, je nach Bekanntheitsgrad des Titels auch mehrsprachig.
- Eine Textspur ist im MIDI-FILE eingezogen.

**Series: MAGIC PIANO**  
**piano/vocal folio with MIDI FILE**  
**(GM format 0)**

Concept of the new printed series:

- The arrangements are mostly written in their original key.  
For the piano arrangements – also in view of the MIDI-FILES – we have a leading part (comparable to the leading part of the salon orchestra/big band editions).
- The piano bassline is identical with the bassline of the MIDI-FILES.
- The vocal part (with chord figures) can simultaneously be used as keyboard-line with automatic accompaniment.
- The course of the music arrangement is identical with the MIDI-FILE.
- The melody part is included in the “right hand (piano)”.
- The lyrics in the ASCII format have been put on the disk, both with and without chord figuring and sometimes even in several languages depending on the popularity of the song.
- One lyric track has been put on the MIDI-FILE.
